Junior Beach Buddy Club

The Junior Beach Buddy Club is for children who want to learn more about the ocean and how to protect our waterways and marine life. Becoming a JBB is very simple. An activity book can be picked up at any JBB station during any of our events such as craft days, cleanup days, or any other seasonal special programs that take place. Once your child has received his or her book and has completed the activities, read, and signed the JBB Pledge, then they can bring it back to any JBB station to receive an official JBB t-shirt along with other Beach Buddies gear. This club is designed to get children excited about the ocean, educate them about environmental pollution and how to keep the waterways and shorelines clean.
