1

## First Floor

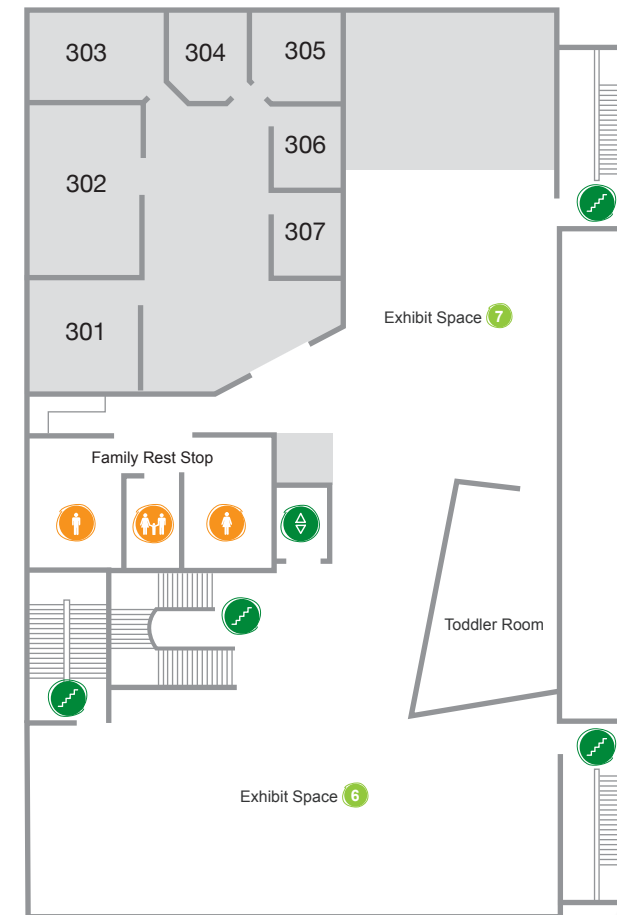

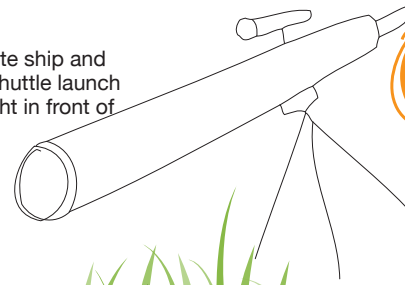

Climb through the two-story treehouse, dig up the bones of ancient dinosaurs and browse through the Discover Retail Shop.

2

## Second Floor

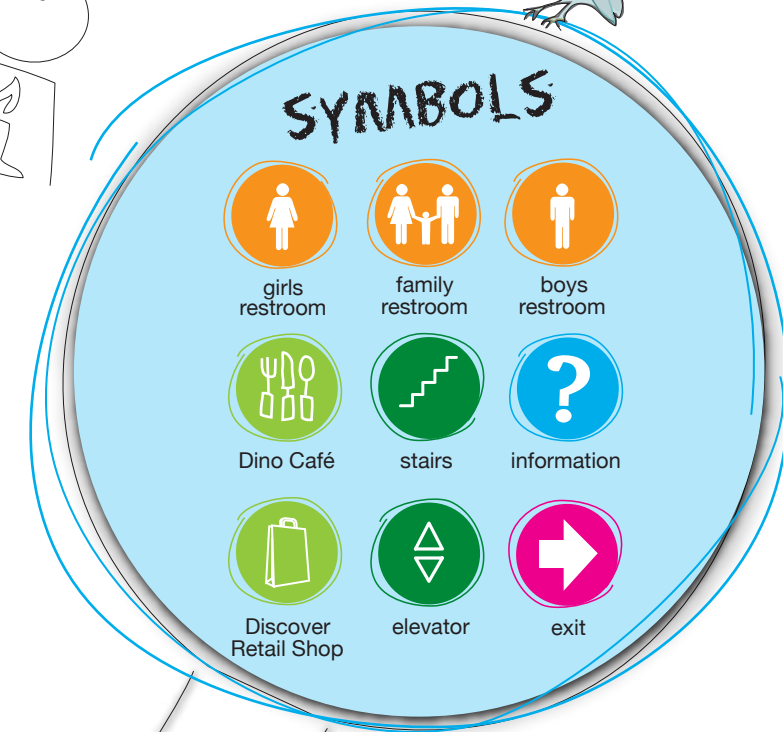

Sail away on the pirate ship and watch a 3-D space shuttle launch or a tornado form right in front of your eyes.

3

## Third Floor

Measure how many calories you burn while you snowboard, inspect the human skeletal display and play around in the toddler room.

- All exhibits are handicap accessible, except the Tree House exhibit located on the first floor.  
- Note where all emergency exits are located and be prepared in case of an emergency.
