Since it's early beginnings, the Terre Haute Children's Museum has educated over 230,000 adults and children from over 22 counties in Indiana and Illinois. Help us continue that education by making a contribution in the form of membership or other monetary donation. All donations go directly into funding the museum's day-to-day operations as well as help expand our traveling exhibits for surrounding schools.

We encourage you to invest in your child's education by becoming a member of the Terre Haute Children's Museum today. Becoming a member is the best way to donate to the museum and your contributions are what keeps the museum doors open.

If your employer matches gifts, please make sure to include this information on the reverse side of your membership application form. Matching gift programs are a great way for you to double your donation to the museum.

Give the gift of discovery by purchasing a membership for a family member, friend, or for a child/family in need. You can also sponsor a class trip to the museum.

The museum is always looking for volunteer workers. Contact us to find out how you can get involved!

Corporate donations/volunteer work are always encouraged. Please contact us for more information on ways your business can contribute.
