#### **REPORT OF THE FACULY SENATE CHAIRPERSON (Dr. MacDonald)**

(Dr. MacDonald submitted the following report)

Good afternoon. I would like to say that despite how it appears from this agenda, the Faculty Senate has been quite busy. There are a number of items that we have passed that need other eyes on them before they come to you. These include an anti-bullying and retaliation policy, which I do hope will come to you in May. Clearly stating that we don't tolerate this type of behavior, and including consequences for that behavior is a good step towards creating a more courteous, welcoming, and inclusive campus. In addition, we continue to work on the student grievance policy, revising the biennial review process, finding ways to include more progressive discipline for faculty, and updating the Handbook section on the all-university committees, among others.

I am pleased that the change to allow for long time Instructors to have a window for promotion to Senior Instructor, allowing them credit for their past years of service to ISU is before you today. We do have a number of long time Instructors who should have this opportunity now, rather than having to wait an additional 5 years to be eligible for promotion. So I thank you for consideration of this issue.

I also want to say that I am encouraged by the numerous conversations about inclusive excellence throughout campus, and the drive to include it throughout all of the goals in the new strategic plan. On a related note, the Faculty Senate, along with the Office of Student Success, the Faculty Center for Teaching Excellence, and the Library co-sponsored a recent half-day workshop titled "Facilitating Challenging Conversations in the Classroom".

We had two panels, first of students and alumni, and then one of faculty, each of which represented diversity in many ways. These panelists discussed some of their experiences, both positive and negative, with these challenging conversations. We had a terrific turnout of faculty and staff, and lively conversations

over lunch. We are hoping that this event will serve as a starting point for additional conversations both campus wide and within the colleges.

**REPORT OF THE STAFF COUNCIL CHAIRPERSON (Ms. Torrence)**

(Ms. Torrence submitted the following report and was it read by Jamie Hayes)

The Council will begin our annual representative elections next week. I would like to thank all of this year's Council representatives for their service and leadership. The Council could not have accomplished our goals without their hard work. Officer elections will be held in early May once our representative elections are complete.

The Public Relations Committee is offering chair massages today to raise money for the Staff Council Scholarships. I would like to thank the massage therapy students and their advisor Charlie Peebles for donating their time for this event. The committee is also working on another event for later this spring.

The Council will be holding Rep Sessions on March 9<sup>th</sup>. These sessions give the staff the opportunity to listen, learn and ask questions about benefits and the Staff Council happenings.

We have been working with the Office of General Counsel to make sure the Council Bylaws are current in the University Handbook and the bylaws are being presented in their entirety for your approval today. We have removed the awards, submitting proposals and grievance policy sections from our bylaws. We will continue to have these items but did not feel they should be part of the Council Bylaws. In addition, we have updated the numbering system so they will be current with the handbook. I would like to thank Stephannie Gambill for her work on this project.

**REPORT OF THE PRESIDENT OF THE STUDENT GOVERNMENT ASSOCIATION (Mr. Cheeks)**

(Ms. Cheeks submitted the following report)

Good afternoon President Bradley and members of the Board of Trustees.

On behalf of the students at Indiana State University, I am truly honored to be with you this afternoon representing a proud and ever-growing student community. Indeed, it is an exciting time to be a Sycamore.

My name is Vernon Cheeks, and I serve ISU as the Student Government Association President. I am very appreciative of the relationship we have already formed and am truly excited to work with you for the continued betterment of our students this year. You provide direction and guidance for a strong Division and it is obvious from my interactions with your staff this fall, that they are ready for a great experience working with you.

As the spring semester is in a successful route we have a lot of great things to look forward to. I would like to thank President Bradley, Provost Licari, and VP of Student Affairs Dr. Willie Banks for coming to senate last week to provide us with their Strategic Planning for the upcoming school year. It was great to have students engaged and being updated on what are the focuses for this university. I would also like to

recognize Fraternity and Sorority Life for their academic recognition dinner this past Thursday, as a member of FSL here at ISU, I am glad to see that we are beating the stereotypes of being just party people and conceited. We have done so much such as Greek night, MLK day of service, and also my fraternity Phi Beta Sigma is raising money for the American Cancer Society. I am glad to see we are doing things to help uplift this university and mostly our students.

I would also like to recognize our International students as we hung 79 national flags, the Sycamore flag and Indiana's state flag. Inside the student recreational center on January 21, 2016. That was a great moment for all of us because it is important that we acknowledge all students here and make them feel welcomed and mostly be proud Sycamores.

So indeed as always it is an exciting time to be a Sycamore, Thank you again for your leadership to the university. Please know that we remain gladly committed to being a collaborator with you and working together to provide the students the Sycamore experience they deserve.

Thank you.

## **REPORT OF THE ISU FOUNDATION PRESIDENT (Mr. Carpenter)**

(Mr. Carpenter made the following comments)

### FUNDRAISING NEWS

#### **FY17 Scholarship Distribution**

- For the 4<sup>th</sup> consecutive year, the Foundation has increased the distribution from the endowment in support of scholarships and programs
- For the 2016-17 academic year, **\$1.92 million** has been made available for endowed and annual scholarships and programs.
- We are also excited to partner with the scholarship office to enhance scholarship donor stewardship by embedding the thank you note for the scholarship as a part of the awarding process.

#### **Fiscal Year 2016 Fundraising Numbers**

- The Foundation is more than 60% towards our unrestricted goal for The Fund for Indiana State
- Removing the 3 one-time unrestricted gifts from FY15 that contributed to unprecedented growth in our annual fund, we are more than **\$55,000 above** where we were last year at this time.
- It is important for us to benchmark ourselves based on renewable fundraising potential so that we can set realistic fiscal year goals.
- Donor retention for the annual fund is **more than 47%**
- This is about 9% of where we were last year.
- We have increased the number of President's Society level donors (\$1,000 or more) to The Fund
- This is impressive considering that the national trend for unrestricted giving is seeing a decline in overall dollars raised.

- Overall fundraising stands at **\$3.2 million** from just over **5,000 donors**.
- This is an increase in the number of overall donors by **6.5%**.
- We are also at **52.5%** overall donor retention rate.
- This is slightly more than 7% higher than where we were last year at this time.
- This is an important figure because the national trend is showing a decline in the overall number of donors.
- In a couple weeks, we will launch our annual Faculty and Staff Campaign.
- This year, we are excited to have Provost Licari chairing the campaign
- We have set our campaign goals based on growing participation
- This year we want to increase our overall faculty, staff, emeriti and retiree donors to 700.
- The campaign will run from March 1 – April 8

### **Donor Stewardship**

- Through the second quarter of FY15, we have recorded **29,059 stewardship interactions** with donors to the University.
- This is an **average of 6.2 interactions** with each donor that makes a gift.
- We are trending above our goal of 6 stewardship touches per donor.

### **Fundraising Events**

- Save the date for the following annual fundraising golf outings:
- **May 6 – Ladies Tee Golf Outing, Cards and Luncheon** held at the Terre Haute Country Club hosted by First Lady Cheri Bradley. The presenting sponsor is Sodexo **and** all proceeds benefit our women’s athletic programs
- **May 9 – President’s Scholars Golf Outing** held at the Brickyard Crossing Golf Course in Indianapolis. The presenting sponsor is Ratio and all proceeds benefit the President’s Scholars Program. For more information or to register, visit the ISU Foundation website.

### **SYCAMORE ATHLETIC FUND**

#### **Athletics Fundraising**

- Through the end of January, the Sycamore Athletic Fund has raised \$850,000 in support of Sycamore Athletics.
- We are excited to be selected as the Athletics Sponsorship Program vendor for the University.
- Aligning this program with the Sycamore Athletic Fund will allow us to provide better customer service and stewardship to our corporate partners and donors while allowing 100% of the revenue to stay at Indiana State.

### **ALUMNI ACTIVITY**

#### **Blue Card Club —**

- The Alumni Association continues to increase the number of memberships for the Blue Card Club.
- There are currently **1,448** annual and lifetime members in the program.
- This is an increase of **3.5%** compared to last year.

- Stewardship of our annual and lifetime members is a priority.
- We sent a fun Valentine's Day postcard to all members last week.
- Our annual renewal and solicitation will be coming in may

### **Indiana State License Plate Sales —**

- Indiana State License Plate sales through the Indiana BMV are up.
- Sales for calendar year 2015 increased 7.5% over calendar year 2014.
- It is exciting to see more Sycamore plates on the road not only in Terre Haute, but around the state

### **Future Alumni Focus Group —**

- The Alumni Association is partnering with Student Affairs to conduct a focus group with current student leaders to find out “what it means to be an Indiana State Alumni”
- Our objectives are to find out:
  - How students want to be involved with the University after graduation
  - How students want to stay in touch and what type of information they want to receive
- This is taking place in April and we are looking forward to hearing these important perspectives

### **Upcoming Events —**

- The Alumni Association has a busy spring of activity.
- **MVC Basketball Tournaments.** March 3-6, Arch Madness: Men's MVC Basketball Tournament in St. Louis. Pregame events will take place at the Hilton Downtown prior to ISU games on March 4-6.

- March 16 – Washington D.C. Being held in conjunction with Scott College of Business' Financial Summit hosted by the Network Financial Institute.
- March 24-25 – Lake County Area (Northwest Indiana)
- April 7 – Bloomington, IN
- We are also looking to our summer schedule of events
- In addition to hosting our traditional alumni golf outings, we are adding new events focused on popular regional opportunities to attract new demographics. Some examples of this are:
  - May 21 – We will be back at the Indianapolis Motor Speedway for the 100<sup>th</sup> Running of the Indy 500
  - June 18 – We will be at Churchill Downs in Louisville, KY for “Downs After Dark”. This is a new event targeted at 21-45 year olds and think this has the potential to draw in a new group of alumni.
- Information about Alumni Association events can be found on the alumni website ([www.indstate.edu/alumni](http://www.indstate.edu/alumni)) or on their social media websites (facebook, twitter, Instagram or linked in)

### **REPORT OF THE UNIVERSTY PRESIDENT (Dr. Bradley)**

(Dr. Bradley submitted the following report)

Good afternoon.

Due to today's spring-like weather, I am going to keep my report short.

ISU Board of Trustees Minutes

Friday February 19, 2016

Page 7

You have heard an update on the strategic planning process which has already engaged a few hundred people through the key question committee work, the town hall meetings, the steering committee meetings and soon the goal committees. I appreciate the enthusiasm our campus displays for strategic planning, and the thoughtful contributions they are making to the process. I also appreciate the leadership Mike Licari is providing to the process.

As indicated during the seminar, I have asked each goal chair to integrate inclusive excellence and diversity as an underlying strength for each segment of our strategic plan. This is critically important to advancing our inclusive excellence goals.

In the meantime, our work on this front continues on a daily basis. In my newsletter today, I have outlined several of the more recent initiatives which cover a range of areas including developing deeper pools of diverse candidates and providing other resources for conducting searches with diversity in mind, facilitating challenging conversations in the classroom, student programming on social justice issues, building a campus committed to inclusive excellence in and out of the classroom, ways to enhance student feelings of belonging in a community, efforts to embed inclusive excellence into curriculum, and more. Josh Powers is doing an excellent job of leading these activities in his interim role of Special Assistant to the Provost for Inclusive Excellence on top of his other full-time job leading our student success efforts.

As we search for someone to serve in this role on a permanent basis, the Provost and I have decided to change the position into a cabinet-level role with the title of Associate Vice President of Academic Affairs for Inclusive Excellence. This individual will still report to Provost Licari but will serve as a senior advisor to me and the entire President's Cabinet. A national search will be launched in the coming weeks.

### **Presidential Tours**

In the coming weeks, the Alumni Association, the Admissions Office, the Career Center, the President's Office and Government Relations have partnered on our spring presidential tours. This spring we are going to Richmond, Lake County, and Bloomington. These trips include a combination of service club presentations, media visits, joint alumni/admissions receptions, legislator meetings, individual alumni/donor visits and meetings with various other institutional partners. They are an efficient way to spread awareness of Indiana State and the great things that are having on our campus.

### **Day at the Statehouse**

February 29<sup>th</sup> will be Indiana State University Day at the Statehouse. More than 60 legislators have indicated they will attend our lunch reception where they will mingle with our students involved in the American Democracy Project. I know that several of the trustees are also planning to attend. Indiana State will also be recognized with a joint resolution that will be read on the floors of the House of Representatives and the Senate. This is a great day to celebrate Indiana State and provide our students with a hands-on advocacy opportunity. I would like to thank Greg Goode and Carly Schmitt for their work on this annual program.

That concludes my report.

**REPORT OF THE BOARD CHAIRPERSON** (Mr. Campbell)  
(Mr. Campbell made the following comments)

We had excellent seminars today on Student Success and the Strategic Plan. The board appreciates the community and campus wide engagement. Thank you to everyone involved in student success and we are looking forward to the Strategic Plan Process.

The Board enjoyed lunch today with the students, especially Mr. Cheeks and Mr. Mustafa, the only student from Sudan that is currently on ISU's campus. He was a very nice young man who was extremely complimentary of the welcome and the inclusiveness of ISU to his education. It was a very fine lunch and the Board appreciates the opportunities to meet with students, faculty and others during our visits to campus. We need to be reminded why we are all actually here and the students do that better than anyone .

## 5b3 Flight Academy Flight Fees

Indiana State University’s Flight Academy will be in its fourth year of operation starting in the Fall 2016 semester. Operational expenses are primarily funded by flight fee income realized through the assessment of flight fees. These fees are non-refundable unless (1) the student drops the respective course for the certification being pursued, or (2) the student completely withdraws from the University. Under these circumstances, unused flight fee income will be refunded as determined by the flying time that was logged. Extenuating circumstances can exist, as may be determined by the Chairperson of the Aviation Department, that would allow a student to pay hourly flight fee rates based on aircraft type. An example of an extenuating circumstance would be when a student would need to fly more hours, than provided by the semester rate, for the purpose of correcting deficiencies.

The fees for the mandatory certificates as required by our four year B.S. degree program (Private Pilot, Instrument, Commercial, and Multi-Engine) reflect an overall increase in flight fees of 2.1%. Adjustments to flight fee rates effective with Fall semester 2016 are necessary due to three factors facing the Flight Academy. First, the electronic system used to record and track student progress, financial records, and aircraft maintenance, does not meet the requirements to maintain our part 141 certification as mandated by the FAA. Second, the response to the popularity of our program with increased enrollment and operations shows an overall increase in routine maintenance. Past maintenance budgets have included one engine overhaul per year and current projections require two engines per year. Third, the FAA is mandating a required equipment change to all ISU aircraft by 2020 to fly inside the National Airspace System. Rather

than wait to upgrade all 13 aircraft in the last year, ISU will begin the transition and accomplish two or more per year to meet the deadline.

Proposed semester based flight fee rates by certificate type are as follows:

<b>Flight Fees by Certificate Type</b>		
<b>Certificate Type</b>	<b>2015-16 Rate</b>	<b>2016-17 Proposed Rate</b>
Private Pilot - Semester 1	\$6,095	\$6,222
Private Pilot - Semester 2	\$5,155	\$5,263
Instrument - Semester 1	\$7,625	\$7,780
Instrument - Semester 2	\$8,700	\$8,880
Commercial - Semester 1	\$9,940	\$10,142
Commercial - Semester 2	\$10,185	\$10,398
Multi-Engine	\$4,850	\$4,950
Certified Flight Instructor I	\$3,900	\$3,985
Certified Flight Instructor II	\$4,075	\$4,165
Multi-Engine Instructor	\$3,350	\$3,420

<b>Hourly Flight Fee by Aircraft Type</b>		
<b>Aircraft Type</b>	<b>2015-16 Rate/Hour</b>	<b>2016-17 Proposed Rate/Hour</b>
DA20 - Solo	\$160	\$163
DA20 - Dual	\$195	\$199
DA40 - Solo	\$205	\$209
DA40 - Dual	\$240	\$245
DA42 - Solo	\$265	\$270
DA42 - Dual	\$300	\$306
PA28 - Solo	\$205	\$209
PA28 - Dual	\$240	\$245

<b>Ground School Instruction</b>		
	<b>2015-16 Rate/Hour</b>	<b>2016-17 Proposed Rate/Hour</b>
Ground School Instruction	\$35	\$36

**Recommendation:** Approval of the proposed semester based and hourly flight fee rates, the hourly instructional ground school rate, and the associated refund procedure as outlined above. In addition, approval granting authorization to the Chairperson of the Aviation Department to identify extenuating circumstances allowing for an hourly flight fee assessment is requested. The assessment of these fees is to be effective with the Fall 2016 semester.

**Mr. Taylor reported that the Finance Committee unanimously recommends the approval of the item as presented. The board voted to approve the item as presented.**

## **5b4 Academic Fee/Refund Model for MBA in Educational Leadership (MBA-EL)**

Beginning Summer 2016, the Scott College of Business in partnership with the Bayh College of Education will offer the MBA degree with a concentration in Educational Leadership. Indiana State University was selected by the Woodrow Wilson Foundation's National Fellowship Program to offer the MBA in Education Leadership. The Woodrow Wilson Foundation will award fellowships of \$50,000 to three cohorts of fifteen students who are nominated and selected for admission in this prestigious program. The program will be delivered in an intensive 13-month period consisting of a summer term, a fall term, a spring term, and a second summer term.

The following academic fee/refund model is recommended for the program. The recommendation for the adjusted tuition rate is appropriate given the expense of developing the program as well as the specialized nature of the delivery. Coursework in the MBA program will be modified to provide the educational component and will be unique to this specific program, cohort sizes will be small, and instruction will be based on team teaching and specialized coaching, thereby not allowing for scale of offering with the rest of the MBA program. The proposed fee structure is in line with others delivered through the Woodrow Wilson Foundation program. In the long term, once the program is established, our goal is to reduce costs, and we feel that will be possible and likely necessary.

Academic Fees – 200% of the ISU in-state graduate fees. This rate shall prevail for the full length of the program. Students who stop out of the program will be assessed the prevailing rate of the new cohort.

Withdrawals and Refunds – Prior to first day of enrollment, 100% refund. The first day of class and after, no refunds.

Course/Lab Fees – Course/lab fees normally attached to the program courses will not be assessed in conjunction with enrollment in this program.

Student Recreation Center Fee – The Student Recreation Center Fee will not be assessed for those students enrolled in the MBA-EL.

**Recommendation:** Approval of the academic fee and refund model for the MBA with a concentration in Education Leadership (MBA-EL) effective Summer 2016.

**Mr. Taylor reported that the Finance Committee unanimously recommends the approval of the item as presented. The board voted to approve the item as presented.**

## 5b5 Parking Violation Fees

Fees are assessed to those in violation of parking rules and regulations to ensure students, faculty, and staff purchasing parking permits have access to parking spaces on a regular basis. A change in the fine for possession of an altered/stolen permit and the replacement cost of a lost/stolen permit is proposed as shown below.

Type	Current Fee	Proposed Fee
Fine for Possession of Altered/Stolen Permit	\$125	\$300
Replacement of Lost/Stolen Permit	Purchase price of Parking Permit	\$55 or current price (whichever is the lesser amount)

**Recommendation:** Approval of the proposed changes in fees for parking violations, effective July 1, 2016.

**Mr. Taylor reported that the Finance Committee unanimously recommends the approval of the item as presented. The board voted to approve the item as presented.**

## 5b6 Reimbursement of Expenditures for Expansion/Renovation of College of Health and Human Services Facility

The Board of Trustees authorized the expansion and renovation of the College of Health and Human Services facility in an amount of \$64 million on October 16, 2015. In preparation for the upcoming construction, a main sewer line and bike trail from Chestnut to Tippecanoe streets must be relocated. The cost of relocation, based on recent bids, is \$464,732.

As a prerequisite for reimbursement from bond proceeds for the project to be issued later than 2016, it is recommended the Board declare its intent to issue the debt and reimburse for this early construction work.

**Recommendation:** Approval of the Official Intent to Reimburse Expenditures as shown below:

**Mr. Taylor reported that the Finance Committee unanimously recommends the approval of the item as presented. The board voted to approve the item as presented**

DECLARATION OF OFFICIAL INTENT

TO REIMBURSE EXPENDITURES

WHEREAS, the Board of Trustees (the "Board") of Indiana State University Board (the "University") has determined that a necessity exists to acquire, construct, equip and/or rehabilitate the facilities described on Exhibit A hereto (the "Project"); and

WHEREAS, the University intends to acquire, construct, equip and/or rehabilitate the Project, and reasonably expects to reimburse certain costs of the Project with proceeds of debt to be incurred by the University; and

WHEREAS, the University expects to issue debt not exceeding \$64,000,000 in aggregate principal amount, plus costs incidental to the financing as authorized by statute, for purposes of financing, refinancing or reimbursing costs of the Project (which debt may be issued as part of a larger debt issue including funds for the financing of certain other facilities for the University);

NOW, THEREFORE, BE IT RESOLVED that the University declares its official intent to acquire, construct, equip and/or rehabilitate the Project described in Exhibit A; to reimburse certain costs of acquiring, constructing, equipping and/or rehabilitating the Project with proceeds of debt to be incurred by the University; and to issue debt not exceeding \$64,000,000 in aggregate principal amount, plus costs incidental to the financing as authorized by statute, for purposes of financing, refinancing or reimbursing costs of the Project (which debt may be issued as part of a larger debt issue including funds for the financing of certain other facilities for the University).

Dated: February 19, 2016

EXHIBIT A

THE PROJECT

The Project consists of the acquisition, construction, expansion, renovation and equipping of certain academic or building facilities for the University including, in particular, the expansion and renovation of the College of Health and Human Services (CHHS) facility. The existing facility was constructed in two phases totaling 293,846 square feet; the oldest part of the facility was built in 1961 with an addition constructed in 1986. No significant upgrades or replacement of mechanical, electrical, or plumbing systems has occurred since original construction. The instructional spaces used by the College are inadequate to accommodate current instructional technologies and comply with current safety standards.

The first phase of the expansion/renovation project would add 87,000 gross square feet to the existing facility to house classrooms, laboratories, seminar rooms, office and service space to accommodate new academic programs in the College as well as departments of the College that are located in three different campus buildings and an off-campus site. Consolidation of faculty and staff into a single structure will permit stronger interdisciplinary collaboration among health profession faculty and students. The second phase includes converting existing office space in the CHHS facility to classrooms and laboratories, replacing outdated and obsolete mechanical and electrical systems, and updating building finishes. The renovation and expansion will allow for both consolidation and strategic growth of the College of Health, and Human Services programs.

## 5c Revision of Section 305.1.6

In March of 2015, the Faculty Senate approved a major change to Section 305 of the University Handbook (Faculty Appointment, Promotion, and Tenure Policies). The Board of Trustees at the June 11, 2015 meeting subsequently approved these changes; however, the section below was mistakenly omitted from the text approved by the Board. It is presented to the Board of Trustees at this point to rectify that omission.

### **Old Language:**

305.1.6 Bases for Termination of Appointment of Tenured Faculty. The appointments of faculty members who have been awarded tenure will be terminated only for adequate cause, except in the case of retirement, or under extraordinary circumstances, such as financial exigencies, decrease in enrollments, or discontinuance of instructional programs. (See University Handbook, Section 246.13 in keeping with AAUP Policy Documents and Reports.)

### **New Language:**

**305.1.9 Bases for Termination of Appointment of Tenured Faculty.** The appointments of faculty members who have been awarded tenure will be terminated only for adequate cause, except in the case of retirement, or under circumstances, such as financial exigencies, decrease in enrollments, or discontinuance of instructional programs, in accordance with policies delineated elsewhere in the University Handbook.

**Recommendation:** Approve the change to 305.1.6 (new 305.1.9).

**On a motion by Mr. Baesler, seconded by Mrs. Smith, the recommendation was approved.**

## 5d Addition of Section 305.11.2.7 to Consider Previous Years Experience for Promotion to Senior Instructor

In October 2015, the Faculty Senate voted to add section 305.11.2.7 to account for the number of Instructors who have taught at ISU for many years and clarify if the five or more years needed to be consecutive.

**305.11.2.7 Window for Promotion to Senior Instructor for Previous Lecturers/Instructors** During the 2016-2017 academic year, any Instructor who served as a full-time Lecturer and/or Instructor (using current definitions) for the five consecutive prior years or served a total of six years as a full-time Lecturer or Instructor (using current definitions) may apply for promotion to Senior Instructor following the calendar, rights, roles, procedures, and appeals for promotion of tenure-track faculty specified above except where specified here.. Such promotion would be effective starting with the 2017-2018 academic year. This provision of the Handbook will be removed at the conclusion of the 2018 academic year.

**Recommendation:** Approve the addition of 305.11.2.7 effective for the 2016-17 review cycle.

**On a motion by Ms. Gravely, seconded by Mr. Taylor, the recommendation was approved.**

## 5e Modifications to the Bylaws of the Faculty Constitution (246) and Section 350 Faculty Disciplinary Procedures – NOTE: Item removed from agenda.

### 5f Modification to Section 310.1.4.3 to Match Previously Approved Study Week Policy in the Catalog

Many years ago, when the study week policy was updated and approved in the catalog, the same language was not updated in the Handbook. This revision ensures that the study week language in both places is consistent and accurate. This revision was approved by Faculty Senate on December 3, 2015.

#### **Existing**

**310.1.4.3 Study Week.** Through mutual agreement of the University Faculty Senate and Student Government Association, study week is intended to encourage student preparation for final examinations during the final examination week; however, class attendance during study week is expected. No examinations of any kind, including substantial quizzes, shall be given during study week preceding final examination week. Students who feel that these policies have been violated should register their complaints with the Office of the Student Government Association.

#### **Recommended**

**310.1.4.3 Study Week.** Study Week is intended to encourage student preparation for final examinations given during the final examination week. Class attendance, however, is still expected. No examination of any kind, including quizzes that count over four percent of the grade, can be given during Study Week. Assignments due during Study Week must be specified in the class syllabus handed out to students at the beginning of each semester. Online courses are treated, for the purpose of this policy, like all other courses. Courses of 11 weeks' duration or less are exempt from this policy. Examinations for laboratory, practicum, or clinical courses are permitted.

The student is responsible for notifying the Student Government Association of a violation of any of the above terms. The Student Government Association will take the correct procedures for informing the faculty member and the academic department chairperson of the failure to comply with the terms of the Study Week policy. The student's name will be confidential to the Student Government Association.

**Recommendation:** Approve the change to 310.1.4.3 effective for the 2016-17 review cycle.

**On a motion by Mr. Taylor, seconded by Ms. Bell, the recommendation was approved.**

### 5g New Program - Virtual Instruction Certificate

Virtual instructors are expected to have a broad and comprehensive understanding of the knowledge and skills needed for this educator license, and to use that knowledge to help students in online and blended courses prepare for the challenges and opportunities of the twenty-first century. This requires the ability to identify, comprehend, analyze, synthesize, and evaluate the basic principles, fundamental concepts, and essential skills and abilities defined in the Indiana Content Standards for Educators, and to apply that knowledge to the tasks of planning and delivering effective virtual instruction and online assessment.

In the State of Indiana, there were 7,603 students enrolled in five fully online schools in SY 2013-2014, representing a 13% increase over the previous year. Additionally, Indiana educational service centers, districts and institutions provided at least 18,000 supplemental course enrollments during in SY 2013-2014. There are currently at least four blended charter schools and several district blended learning programs utilizing virtual instruction.

Indiana HB1002 (2011) ended the pilot status of a virtual school program and set virtual charter funding at 85% of base ADM (average daily membership), which is 90% of the per-pupil funding received by brick-and-mortar charter schools. Virtual charter schools are also entitled to receive special education and other state grants at the same level as traditional brick-and-mortar schools. The same funding formula applies to blended charter schools if more than 50% of instruction is delivered via “virtual distance learning, online technologies, or computer based instruction.” HB1002 also established that at least 60% of virtual charter students must have been included in the state ADM count the previous year.

Working with Extended Learning, funding for instruction will be determined based on enrollment, and external agreement with Indiana School Corporations.

The proposal has been approved by the Dean and Faculty of the College Education, Faculty Senate, and has the support of the Provost and Vice President for Academic Affairs.

**Recommendation:** That the Virtual Instruction Certificate Program, in the College of Education, be approved effective Fall 2016, pending approval of ICHE.

**On a motion by Mr. Minas, seconded by Mrs. Smith, the recommendation was approved.**
