### Strategic plan update

Message from Provost Licari:

A draft of the new university strategic plan goals and benchmarks was presented to the Board of Trustees on Friday, May 6. It is still very much a draft at this point, and reflects feedback and input from a variety of sources, including the Campus Stakeholder meeting held on April 27. Although some of the draft benchmarks may be adjusted as a result of questions asked by the Trustees during the presentation, this draft will serve as a launching point for creating initiatives for each benchmark.

The presentation can be accessed at:

<http://irt2.indstate.edu/cms/sp16/assets/File/May%206%2C%202016%20strategic%20plan%20presentation%20for%20Board%20of%20Trustees.pdf>.

The Goal Chairs and their goal committees will be working during the summer to develop the first round of initiatives. This phase will also involve direct integration of the material produced by the Key Question Committees earlier in the process. If you have any suggestions for initiatives, please forward them to the appropriate goal chairs.

Also, proposed revisions to the Mission, Vision and Values are currently published for campus input. To view the proposed revisions, go to: <https://www.indstate.edu/handbook> and click on the proposed modifications tab. At the bottom of the proposed revisions, there is a survey that can be used to provide feedback. The Board of Trustees will consider revisions to the Mission, Vision and Values at its August 25 meeting.
