Subject: 2016 Annual Security & Fire Safety Report Revised

A message from INDIANA STATE UNIVERSITY

An independent review of the University's 2016 Annual Security and Fire Safety Report was conducted to ensure that it reflects the most accurate policies and procedures that were in place at the time of this report. Specifically, the process for making a determination in a Sexual Assault/Sexual Violence, Domestic Violence, Dating Violence, or Stalking hearing has been revised as a result.

The changes have been added to section II. Determination and Disciplinary Outcome section on page 47 Bullet B of the 2016 Annual Report. Students, staff and faculty are encouraged to review the document.

The Annual Security and Fire Safety Report can be found at:

The 2017 report will be published and ready to view this upcoming Fall Semester.
