ISU Today

Tuesday, August 22, 2017

Announcements

[Wellness biometric screenings for 2018 health coverage](#)

Schedule biometric screenings for health coverage on OneCommunity.com. The screening dates for on-campus screenings begin Aug. 29 and run through Oct. 6.

[Cherie's Lemonade Stand](#)

Due to the weather, Cherie's Lemonade Stand will be 9-11 a.m. in the rotunda of Hulman Memorial Student Union.

[Registration open for Rock Band classes ages 12-17](#)

Students will develop critical ensemble playing and rehearsal skills by learning to read lead sheets, developing music reading skills. Students will explore different musical qualities of various rock styles while playing one or more of five traditional rock instruments.

[Registration open for Terre Haute Children's Choir for ages 7-18](#)

The choir offers three different choirs to accommodate the singing experience of every child. Children may progress to the more advanced choirs through bi-annual auditions. All three groups participate in a concert at the end of each semester.

[American Democracy Project fall co-curricular programming](#)

Join for the American Democracy Project events this fall.

[Flapjacks by the Fountain to promote Sycamore Resolution Program](#)

Please join members of the Sycamore Resolution Program for Flapjacks By The Fountain at 8 a.m. to 10 a.m. on Wednesday, Aug. 23.

Newsroom

[Indiana State dedicates faculty garden](#)

Indiana State University commemorated the commitment to education demonstrated by generations of its faculty with the dedication of the Reece-Kepner Faculty Garden on Aug. 21.

[State's sororities among top 3 percent nationally](#)

Indiana State is one of only 20 institutions nationwide to be recognized in the excellence category this year, which puts Sycamores in the top three percent of the organizations -- and the only to earn the Excellence Award five years running.

[Sycamores investigate genetics behind congenital heart defects](#)

Katy Neese and Olivia Sacopulos used the Summer Undergraduate Research Experience at Indiana State University to conduct preliminary research on the Foxhead BOX (FOX) gene expression.
