National search for the next Vice Provost for Enrollment Management

Dear Indiana State University Community,

We have initiated a national search for the next Vice Provost for Enrollment Management. The Vice Provost Search and Screening Committee has been charged with identifying finalists for the position and collecting campus feedback following finalist visits. The Search Committee is hopeful to have finalists visit campus in late April.

Storbeck/Pimentel & Associates, an executive search firm focused exclusively on higher education, will support the work of the Search and Screening Committee in recruiting a strong and diverse pool of candidates and facilitating a smooth search process. We strongly encourage the campus community to be engaged in nominating individuals for this position.

Nominations can be sent via e-mail to Storbeck/Pimentel at the contact information below and should consist of the name and institution/organization of the individual you wish to nominate. Contact information and any perspectives on the qualifications of the nominee are welcomed but not required. All nominations are confidential unless the nominator indicates they would like their name to be used in the firm's outreach.

Ryan Crawford, Partner Storbeck/Pimentel & Associates
