NEWSROOM

[Indiana State included among national rankings](#)

Indiana State University has been named a top university by Forbes, Princeton Review, Washington Monthly and Wall Street Journal.

[State biologists tapped for 8-year study of bats in Missouri](#)

This spring, professors Joy O'Keefe and Diana Hews will start an eight-year project working on state-owned lands to assess the effects of the timber harvest on Indiana bats.

[Survey: 94 percent placement rate for '17 grads](#)

Indiana State University's Class of 2017 is faring well six months post-graduation with 94 percent of graduates employed, pursuing further undergraduate study or attending graduate school – a 6 percent increase from a survey just five years earlier.

[Indiana State 2017 crime statistics released](#)

The report is required by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, which requires U.S. colleges and universities to disclose information about campus crime.

University Marketing produces ISU Today, the employee daily electronic newsletter, and STATEments, the student newsletter sent Mondays and Thursdays. The newsletters are sent via e-mail. Students and friends of the university may subscribe to [ISU Today](#).
