ISU welcomes Sen. Mike Braun to campus

Sen. Mike Braun toured the Health and Human Services building Monday as part of a brief visit to Indiana State University.

The HHS building received a \$64-million renovation and addition funded by the state. As a state representative, Braun was on a key committee that authorized those funds. It was the largest state-funded project in ISU history and was finished last year.

Braun met with Diann McKee, Senior Vice President of Finance and Administration; Mike Licari, Provost; Caroline Mallory, Dean of the College of Health and Human Services; and Greg Goode, Executive Director of Government Relations and University Communication.

The group discussed CARES Act implementation and ISU's plans for summer and fall amid the pandemic.
