### Public Safety to host bicycle registration events

Indiana State University Police offers faculty, staff, and students the opportunity to register bicycles with the office for free. It is strongly encouraged by police because it helps with recovery efforts in case of theft.

Registration will take place from 10 a.m. to 2 p.m. Aug. 17 and 2-6 p.m. Aug. 19 at the south side of the fountain at Dede Plaza.

Participants must bring their bicycles and ISU ID card to the registration. A photograph of the bicycle and bicycle information will be entered into the police reporting system to assist in recovery efforts. An ISU numbered sticker will be placed on the bicycle for identification. In the event of theft of the bicycle, the ISU decal will provide an additional method of identification for the investigation.

ISU encourages the use of bicycles on the campus. It is imperative, however, that everyone rides and stores bikes on campus safely. University Police encourages the purchase and use of U-LOCK to secure bicycles when unattended because cable locks are easily removed, Sgt. Jacquelyn Smith said.
