Nominations sought for the ISU Medallion Award

Nominations are being accepted for the 2020-21 Indiana State University Medallion award, the highest honor conferred to a university staff employee.

The award is presented to staff employees (exempt and non-exempt) who have demonstrated exceptional service and dedication to the university. The award was established in 1997 to recognize staff displaying a history of loyalty, dependability, and service to the University and the Terre Haute community.

Nominations should be submitted to Human Resources no later than Tuesday, Sept. 15. The form should be directed to the Executive Director of Human Resources in room 310 Rankin Hall or email to Richard.Enyard@indstate.edu.

Any current member of the ISU staff or faculty can submit nominations. Self-nominations will be accepted, and all nominations will be confidential. The Medallion Awards Review committee will evaluate and rank the nominees. Recommendations will be forwarded to the President for final approval.

Follow this link for the 2020-21 [nomination form](#). Prior [winners](#) are ineligible to be nominated.

COVID-19: Quarantine vs. Isolation

QUARANTINE keeps someone who was in close contact with someone who has COVID-19 away from others.

If you had close contact with a person who has COVID-19

- Stay home until 14 days after your last contact.

- Check your temperature twice a day and watch for symptoms of COVID-19.

- If possible, stay away from people who are at higher-risk for getting very sick from COVID-19.

CS317422-A 7/20/2020 7AM

ISOLATION keeps someone who is sick or tested positive for COVID-19 without symptoms away from others, even in their own home.

If you are sick and think or know you have COVID-19

- Stay home until after
 - At least 10 days since symptoms first appeared **and**
 - At least 24 hours with no fever without fever-reducing medication **and**
 - Symptoms have improved

If you tested positive for COVID-19 but do not have symptoms

- Stay home until after
 - 10 days have passed since your positive test

If you live with others, stay in a specific "sick room" or area and away from other people or animals, including pets. Use a separate bathroom, if available.
