CAMPUS ANNOUNCEMENT
April 8, 2021

COVID-19 vaccines are available on campus at the [ISU Student Health Center](#). There is no cost to you.

To schedule your vaccination, please click on the unique link in the email that was sent to your ISU email address on Monday, April 5, with the subject line "You are eligible for the COVID-19 vaccine at your campus location" from noreply@coronavirus.in.gov.

The email looks like this:

The Indiana Department of Health invites you to receive the free COVID-19 vaccine at Indiana State University, 567 North 5th Street. Please use the link below to make an appointment. This link is unique to you. You will schedule any necessary second doses when you receive the first dose. Call your campus if you need assistance scheduling your appointment.

Click at the top right of the site to view in Spanish or call 211 (866-211-9966) for Spanish translation.

If you have already scheduled or received your vaccine, please disregard.

ISU students and employees can also call the ISU Student Health Center (812-237-3883) and request to be put on the wait list and receive the vaccine later in the day if extra vaccines are available that day.

The university strongly encourages everyone to get vaccinated.
