**New ISU  
license plate  
available from  
BMV on July 1**

A newly designed Indiana State University license plate will be available July 1 from the Indiana Bureau of Motor Vehicles.

The ISU license plate is an opportunity for alumni and friends who are residents of Indiana to proudly display their Sycamore pride and show their support for ISU.

The new license plate design uses the Sycamore leaf logo and the university's updated logo font. A survey of current ISU license plate holders preferred the Sycamore leaf by a large margin.

"We're delighted that a license plate with the Sycamore leaf logo will be available for alumni and friends who want to support Indiana State University," ISU President Deborah J. Curtis said. "When you see this plate, you'll know it belongs to a fellow member of the Sycamore Family."
