

INDIANA STATE TEACHERS COLLEGE

General Information

ADDRESS -- Terre Haute, Indiana

ENROLLMENT -- Approximately 3,800

SCHOOL COLORS -- Blue and white

NICKNAME OF TEAMS -- Sycamores

BAND -- Marching Sycamores and Pep Band

STADIUM -- Terre Haute's Memorial Stadium; capacity 16,000; material, concrete.

OTHER ATHLETIC UNITS -- Gymnasium, capacity 3,000; six Laycold tennis courts (lighted); indoor swimming pool (70-ft).

CONFERENCE AFFILIATIONS -- Indiana Collegiate conference, 7 teams include Ball State, Butler, DePauw, Evansville, ISTC, St. Joseph's, and Valparaiso; also a member of the Indiana Intercollegiate Conference and the National Association of Intercollegiate Athletics.

ATHLETIC DIRECTOR -- John L. Longfellow, Manchester, '28.

FOOTBALL COACH -- Bill Jones, Ohio Wesleyan, '39.

BASKETBALL COACH -- Duane M. Klueh, Indiana State '49.

TRACK COACH -- Robert Meyne, Hanover, '48.

TENNIS COACH -- Duane M. Klueh, Indiana State, '49.

GOLF COACH -- Walter E. Marks, Chicago, '27

SWIMMING COACH -- Paul E. Selge, Indiana State, '43

BASEBALL COACH -- Paul L. Wolf, Indiana State, '29.

FRESHMAN COACH -- Robert L. Hollar, Manchester, '41.

DIRECTOR OF ATHLETIC PUBLICITY -- Joseph Dial

TRAINER -- Dr. John Grindrod, College Physician.

This prospectus has been prepared and is presented by the Office of Information Services, Indiana State Teachers College, Terre Haute, Indiana.

Information About:

INDIANA STATE TEACHERS COLLEGE

Indiana State Teachers College, located in Terre Haute, Indiana, is one of four state-supported colleges and universities in the State of Indiana. The others are Ball State Teachers College, Indiana University, and Purdue University. Indiana State was created on December 20, 1865, when an act of the General Assembly provided for the founding of a teacher training institution. The doors were first opened to twenty-three students on January 6, 1870. In the following 88-year period, the College became firmly established and recognized as one of the nation's finest teacher education colleges.

The physical plant has grown to an evaluation exceeding 13 million dollars, and the enrollment increased from the original 23 students to an enrollment of over 3700 on-campus students and an additional 1500 to 2000 students enrolled in extension and correspondence study. Termed one of the "fastest-growing colleges in the Midwest," enrollment increased 100 per cent for the five-year period, 1953 to 1958. The tremendous growth rate is expected to continue in the coming years.

Major emphasis in the College's instructional program is to prepare students for positions as teachers, administrators, and other public school positions. To this end, courses of study are offered for elementary teachers, secondary teachers, school administrators and other special school employees, and nurses.

While major emphasis is on preparation of students for the teaching profession, Indiana State does, however, offer a strong program of study in many other-than-teaching fields. A regular four-year liberal arts degree program is offered. Also, students not preparing for the teaching profession may select four-year degree programs in art, secretarial science, accounting-business administration, merchandising-business administration, general business administration, journalism, medical technology, professional music, radio-television, pre-social work, or theatre. Four-year pre-professional degree courses are offered in pre-law and pre-medicine, and two-year (non-degree) courses are offered in pre-dentistry and pre-engineering. A two-year (non-degree) short course in business is offered to prepare students for positions in either accounting or secretarial work.

Indiana State occupies a campus area of some 37 or more acres in the heart of the City of Terre Haute which is located in southwestern Indiana along the famous "Banks of the Wabash." The College's Allendale Lodge is maintained in the city's southern suburban Allendale area. The Physical Education Field, one-half sodded and the other half taken over by six lighted Laycold tennis courts is just one block west of the campus quadrangle. More physical education areas are now being completed. Home football and baseball games are played in Terre Haute's Memorial Stadium. Terre Haute is also the home of two other fine colleges, Rose Polytechnic Institute (an engineering college for men) and St. Mary-of-the-Woods College (a Catholic girls' college).

Thirteen campus buildings are situated on the compact downtown Indiana State campus area. A new Home Economics Building and a new

addition to the Industrial Education Building housing printing and auto mechanics shops were opened in 1956. The entire three-story Industrial Education Building was completely remodeled and newly-equipped and opened in the Fall of 1957. The College Library was remodeled and a new six-story air-conditioned addition was completed in 1957. The 25-classroom Education-Social Studies Building was first opened in January, 1954. Four years ago, 91 rooms were added to Parsons Hall for men, and three years ago, a 76-room addition was completed to the Women's Residence Hall. The twin Administration-Health Center and Language-Mathematics Buildings were completed at a cost of almost two million dollars in 1950.

Now under construction are a new six-story women's residence hall and an addition to the Student Union Building. Both are due for completion in 1959. A new \$2,500,000 science building will be put under construction in 1959 and completed in 1960.

Future building plans include a new men's physical education building which will be started in 1959 and completed in 1960.

Indiana State football, basketball, baseball, golf, tennis, track, cross country, and swimming teams participate and maintain schedules in intercollegiate competition. Freshmen are not eligible to compete on varsity teams, but frosh schedules are maintained in most all athletics.

Indiana State and five other Indiana colleges and universities officially organized the Indiana Collegiate Conference in 1950. DePauw University was accepted as a seventh loop member in 1953, and the ICC has been operating as a seven-team conference since 1954. Full schedules in all sports are slated for all conference members throughout the 1958-59 year. Current members of the eight-year old conference include: Ball State, Butler, DePauw, Evansville, Indiana State, St. Joseph's, and Valparaiso.

COACHING STAFF SKETCHES

DUANE M. KLUEH --- Head Basketball Coach (Indiana State, '49)

One of Indiana State's all-time greats, Duane Klueh, returned to his alma mater in the 1955-56 season, just six years after graduation, to take over the head hardwood coaching reins from John L. Longfellow, who retired to be athletic director here. Already, Klueh is recognized to be one of the better college coaches---being sound in practice and positive in his ways, he has developed a keen winning spirit for the Sycamores.

Klueh came to Indiana State after four successful years at Fowler High School and two previous years in professional net play. Following his college days at Terre Haute, in 1946-49, Klueh joined the net ranks as a pro for the Denver Nuggets. Midway in the season he became a member of the Fort Wayne Pistons, and stayed with them for the remainder of the season and all of the 1950-51 season.

At Fowler, his teams won 66 games and lost 30. His 1951-52 teams had a 10-13 mark, his 1952-53 unit sported a winning record of 15-9; while his 1953-54 quintet had a 20-4 record; His last record for the season at FHS was 21-4.

As an Indiana State star, Klueh set three scoring marks that still stand; season scoring total of 597 points (1947-48); 17.6 point game average (34 games) in 1947-48 also; and a three-year total of 1432 points. He was a first-string forward for three seasons, 1946-49.

Indiana State was represented by him on the Helms All-American team in 1948, when Klueh became the only Sycamore to be named to the first ten. The same season, he was a standout in the NAIA tourney in Kansas City and was named to the first-all-tourney team and was named Most Valuable Player.

He earned his B.S. and M.S. degrees at Indiana State. He is married to the former Miss Mary Alice Shannon, Terre Haute, and they have five children.

* Returning this year.

ROBERT HOLLAR --- Head Freshman Basketball Coach (Manchester, '41)

Serving his fourth season as head frosh coach will be Robert L. Hollar, who also is head freshman coach in baseball and football. His job in the past three seasons has been an important one in that no freshman have been eligible for varsity participation because of a 1956 Indiana College Conference ruling.

Hollar's job now is to select those players from the frosh teams who he feels will be varsity material. He gains some help from varsity coaches here, but the bulk of the practice and game chores falls on his shoulders. This year's freshman team will play an eight-game schedule as allowed by the ICC, meeting Butler, DePauw and Evansville in home-and-home contests and playing single games with St. Joseph's and Ball State.

A member of the Indiana State faculty since 1950, Hollar was Dean of the Indiana State College Laboratory School prior to his appointment on the athletic staff in 1955.

A Manchester college graduate, he served as coach in several Indiana High Schools and at Hanover before coming to Indiana State. He was coach at Van Buren in 1941-42; Hanover College instructor and coach in 1947; and New Paris coach from 1948 to 1950.

1958 - 59 BASKETBALL PROSPECTS AT INDIANA STATE

Last year's leading scorers, Jim Bates and Bob Clark, are gone, but it appears the Sycamores might be on the move. First, the arrival of two extremely talented sophomores, guard Warren Ross, 6-1 of Terre Haute Wiley, and lanky 6-6 center Bucky Patterson from Green-castle, may pull the Sycamores into title contention in the Indiana Collegiate Conference. Add to these two some experienced hands, such as, forward 6-1 Ted Dayhuff from Riley, forward 6-5 Jim Gangloff from Plymouth, and guards Ted Wesolek (5-8) from North Liberty and Mike Jones (6-0) from Pine Village, and most will agree that the Sycamores have the nucleus of a fine team..

Two transfers, 6-3 forward Tom Pitts from Vincennes, and 6-6 center Ted Green from Herrin, Ill., may also help giving the Sycamores the much needed team depth, which is a necessity in modern basketball. Other soph's moving up from last year's fine freshman team are: Jerry Long, 6-2, from Concannon, 5-10 Ron Felling from Glenn, 6-3 Wally Webb, Terre Haute Wiley, and Louis Giovanini, 6-0 from Clinton. This only adds to the brighter picture at State.

Above is the personnel of the Sycamores, now let's see how it fits together. Dayhuff, Gangloff, and Wesolek are returning regulars, but both Gangloff and Wesolek are being pushed hard by Pitts and Jones. It appears that Ross and Patterson have starting berths nailed down, and with Gangloff, Dayfuff, and Jones, would probably give Coach Klueh his best unit yet at Indiana State.

Last year the Sycamores didn't "go" on the boards, and if a team is to win, it must do a bang-up job on the boards. This year will find the Sycamores big enough, and fast enough, to go with most teams. The team should also have good offensive punch, the importance of this factor can't be over-stressed, for the team with the most points still gets the victory!

SYCAMORE PLAYER SKETCHES

DON ANDREWS -- Don has one of the finest one-hand jump shots on the team, but just can't seem to handle the tough rebounding chore that must go with a starting forward...he is only a soph, so he may develop...Coach Klueh has indicated that Don will definitely be used as a reserve forward this year.

TED DAYHUFF -- This will be Ted's third year as a starter...but, will mark his initial season as a forward, having spent two years in the backcourt...it is thought that his tremendous jumping ability will make him doubly tough at the forward spot....Klueh is counting on Ted for a "banner season" and most people who know Ted are confident he will come through in his usual fine fashion.

RON FELLING -- Little Ron may be the surprise of the team..he prepped at Glenn, just outside Terre Haute, and was a reserve on last year's freshman squad, but has really come around in practice so far this year....not only moves well, but also is an outstanding shooter.

JIM GANGLOFF -- Big Jim will be starting his third year as a regular this time out, and his size is being counted on heavily by Coach Klueh to help push the Sycamores into a fine season...played center last year, but was moved to forward this year when sophomore Bucky Patterson moved up.....is a good enough shooter to hold down the job.

LOUIS GIOVANINI -- Another "hot soph" Louis held down a starting position on the freshman squad last year, and is making a determined bid on the varsity this year...not a flashy ballplayer, Louis never-the-less gets the job done...is a good rebounding guard.

TED GREEN -- Ted is a transfer from the University of Michigan and his size and ability is going to make the Sycamores a much tougher club this time around the circuit....Ted moves well for a man of his size, (6'6" - 230) and also has a fine soft shot, which is rare for a man of his size.

RON HEYEN -- Ron is a veteran forward, in his second year with the squad...tough on defense he also is one of the better shooters on the squad...while not seeing much action last year, Coach Klueh has indicated that he probably will be used more this year.

MIKE JONES -- Mike is the "sleeper" of this year's team...he really showed up well late last year, and is a probable starter at guard this year...he is a better-than-average shooter, fine rebounder, and a good ball-handler...this could be his year.

ROY KASERMAN -- Roy earned his letter last year at guard, and will probably see a lot of action this year...he has the best push shot on the squad...and will be used when long range bombing is necessary.

CON KELLER -- Con is a lanky forward candidate up from the freshman team..moves well and is a good shot...but doesn't have the weight for the rebound battles.

JERRY LONG -- Here is a boy that could surprise, Jerry is a natural, a fine prospect...although he hasn't lived up to expectation yet, Coach Klueh still has hopes that Jerry will come around..Jerry is a soph from just west of Terre Haute, and is what might be termed a "picture player" - in that he does everything well.

RON MERIWETHER -- Ron is a letterman from last year...he served as a top-notch reserve at guard..is a fine ball-handler, but isn't big enough to handle the rebounding job...shoots an un-orthodox left handed jump shot that is hard to block...may surprise this year.

BUCKY PATTERSON -- On this boy's shoulders rests the success or failure of this year's squad, or so many people think...and they may be right, for Bucky is big enough, and talented enough to be a fine college performer..tough man on the frosh list, he also played on two fine Greencastle high school teams..

TOM PITTS -- A transfer from Colorado University, Tom is still in contention for a starting forward berth...good rebounder and shooter, he is the experienced type of player who always seems to be at the right place at the right time...is the good, all-around athlete type..

WARREN ROSS -- high scorer for the freshman team last year, Warren is expected by many to set the pace for the varsity this year..is the best shot on the team..shooting well from any place on the floor.. also good floor man and ball handler....much is expected out of Warren this year.

WALLY WEBB -- Wally was a team-mate of Ross in high school, also is one of the finest ends in the ICC during the 1958 football season... finished second in pass catching..in basketball he is a real tough rebounder...and may see action due to his "boarding."

TED WESOLEK -- Steady Teddy is the smallest man on the squad, but for two years was a starting guard, and may regain his old post from the fast-improving Jones..Ted is a real fine floor man, and quarterback... may be a "must" to have him in there.

INDIANA STATE SCORING LEADERS (1946-57)
