About this template

Writing a thesis or dissertation is a difficult experience without having to worry excessively about formatting. This template provides the basic front matter for a thesis or dissertation as well as a general format for the body and appendices. This template meets the minimum formatting standards for the College of Graduate and Professional Studies at Indiana State University.

Please be aware that each department has formatting style requirements, such as APA or MLA, which must be followed accurately and consistently. The formatting of headings in this document are simply for the sake of example and are not intended to indicate requirements for the College of Graduate and Professional Studies. All headings and captions should be checked and modified according to the style guide you are using. The final responsibility belongs to the student, under the guidance of the committee, to ensure that the document conforms to the proper formatting style in detail as required by the department.

Replace any material highlighted in yellow with the appropriate information. The highlighted material was shown here as a placeholder. The text not highlighted on the title page should be used as is.
